

CIT International in Partnership with
California Institute for Behavioral Health Solutions
and California CIT Association

Certified CIT Coordinator Course ***Special Training and Certification Opportunity*** ***First time offered in California***

This certification course is designed for current Crisis Intervention Team (CIT) Coordinators and those who plan to become CIT Coordinators. This course is open to law enforcement, mental/behavioral health providers, and other professionals responsible for coordinating CIT training and activities. CIT Coordinators are essential to the development of partnerships and the creation of effective programs. This course is provided by CIT International Certified Trainers and is open to California and other states (*This is the same course offered at the CIT International Conference*).
